

## The Singer

*By Victoria Kenyon, Grade 1*

Once upon a time, there was a girl who loved to sing but she was always picked on. But she would never give up and she was so good. One day, she would sing on stage. Everywhere she would sing and she was really nice and everyone loved her, even everyone who picked on her. People would come to see her and they loved to hear her sing. She also would sing at churches and everyone knew who she was.

But one day a new person came to town and saw her sing and at the end he said, "Who are you?" And everyone stopped and looked at him. Then they all yelled, "Rosa, that's her name!" And they went back to what they were doing.

He called his manager and he put her live on T.V. and everyone listened and they all loved her. She would go on T.V. every day and everyone would try to be in the building to see her and they would not stop clapping. And she lived happily ever after.

*Have a great summer...see  
you in September!*

## Hockey

*By Liam Ouellette, Grade 2*

I like hockey in the spring,  
It's so fun it makes me sing!  
I have a stick, its brand is Bauer,  
I am so stinky, I take a shower.  
It is so fun to skate,  
sometimes you have to wait.  
The stuff you skate on is the ice,  
I love hockey it's so nice.
