

Aftercare Program Details

Mount Royal's aftercare program is available to students in Pre-K through fifth grade, offering an affordable solution to families with after school child care needs. Aftercare runs daily from dismissal to 5:15pm, and is staffed by regular providers. The program offers supervised indoor and outdoor play (weather dependent), snack time and space for homework completion. Aftercare is \$5/hour per child; students must be picked up no later than 5:15pm in order to avoid a late fee. Children must be signed out by a parent/guardian or authorized adult.
